IBL Releases Vancouver Volcanoes 2009 Schedule

Monday, February 23, 2009

Vancouver, WA — The IBL has released the Vancouver Volcanoes 2009 schedule today. The Volcanoes will have 13 home games and 10 away games starting in April and ending in June. One of the first games of the season will be against the IBL's defending champions, the Bellingham Slam. "We have something to prove against Bellingham, they knocked us out of the playoffs last year, so we can't wait to play them again!", said Gary Muzzy of the Volcanoes. The schedule will also feature four home games against Japan and China. Home games will be at the O'Connell Sports Center at Clark College.

About the IBL

Two unique features distinguish the IBL from other professional basketball leagues:

1. An entertaining game. By allowing only one timeout per quarter and reducing the time between plays with an immediate inbounds policy results in games lasting under two hours and average scores 127 points per contest.

2. Extremely low travel costs. The IBL promises a maximum of one trip per season requiring air travel. This 'one flight guarantee' that teams enjoy promotes financial health and longevity for IBL teams. In fact, **all 17 teams** completed the first IBL season (the 2005 season); as well, **all 24 teams** completed the 2006 season. Visit the league web site www.iblhoopsonline.com
